including (butter)crumbs

WINTER TRAY BAKE CAKE

SOFT AND SWEET TEMPTATION DURING THE COLD WINTER SEASON

A **delightful treat** during autumn and winter months: tray bake cakes with the flavours of cooking pears and caramel and Dutch gingerbread filled with almond paste. Frozen immediately after baking. This way, optimum freshness can be preserved and from the freezer they can be served fresh for up to two weeks. One package contains a **minimum of 35 portions**.

Turn every cake into a great centrepiece with some **added decoration and creativity!**

COOKING PEARS CARAMEL

A moist cake with a luxurious filling of cooking pear and smooth caramel. It gives you the ultimate winter feeling and has a rich and sweet taste. With some cinnamon ice cream, this makes for an absolute classic dessert.

Spread some sweetened MonChou frosting on top to enhance the festive look even more.

FILLED DUTCH GINGERBREAD

The most wonderful time of the year becomes extra special with Dutch gingerbread! This cake is filled with almond paste and gingerbread spices. Irresistible for gingerbread enthusiasts! Lovely accompanied by some hot chocolate or a special cup of coffee.

Serve for high tea in square cubes with some icing sugar on top.

Summer tray bake cake

SUMMER TRAY BAKE CAKE

DELICIOUS AND LIGHT SUMMER PASTRY WITH FRUIT FILLING

STRAWBERRY

An airy cake with a luxurious filling with strawberry pieces. In Summer as well as during the winter months, this tray bake cake is absolutely delicious. Serve this cake with a tuft of freshly whipped cream.

Spread some sweetened MonChou frosting on top to enhance the festive look even more.

APRICOT

An airy, sweet cake combined with the refreshing taste of apricot results in an ultimate taste sensation. Wonderful with some lightly sweetened cream, will look lovely and festive on any table.

Serve with some almond shavings or white chocolate sauce for extra smoothness.

On www.demaro.nl we like to surprise you with even more delicious, smart and distinctive confectionery products (ready-made and bake-off) for the hospitality and food service industry and retail.
